Our Products: Built to Last, Designed for Perfection

At McCarter, we specialize in custom storage and mixing tanks, engineered from the finest carbon steel and stainless steel materials. Our products are built with precision to deliver exceptional performance, durability, and reliability.

Products:

- Horizontal & Vertical Chocolate Mixers
- Vertical Storage Tanks
- Vertical Chocolate Mini Mixers
- Dry Batch Conche Mixers

Craftsmanship and Quality You Can Trust

Our equipment is designed to meet the highest standards, each piece built to endure the rigors of the chocolate-making process. With a legacy of excellence spanning over 150 years, we're proud to say that McCarter equipment is built to last and trusted by chocolatiers and manufacturers around the globe.

We hold ASME U Stamps and NBIC R Stamps, further demonstrating our commitment to producing high-quality, certified equipment that meets the most stringent industry standards.
