

## COMPANY OVERVIEW

**Wagner Machine** is a make-to-order manufacturer of custom metal componentry, tools, and equipment that has been in operations for more than 45 years.

Based in Trainer, PA, **we offer competitive pricing**, high levels of **customer service**, and **quick turnaround** for customers.

Our affiliated company offers ASME code heavy gauge metal manufacturing and corrosion coating that allows us to provide full-service solutions to customers in the energy, power, food, and chemical sectors.

### NAICS CODES:

- 332710 Machine shops
- 332420 Tanks, heavy gauge metal manufacturing

**EIN:** 99-4775276

**CAGE Code:** 0CQ00

**Certifications:** ASME U-Stamp & R-Stamp

### MAILING ADDRESS:

701 Chestnut Street Trainer, PA 19061

## CAPABILITIES STATEMENT

### INDUSTRIES SERVED

- ☑ General Manufacturing
- ☑ Power Industries (*Utilities, Refineries, Oil/Gas*)
- ☑ Environmental Services
- ☑ Water Infrastructure
- ☑ Transportation
- ☑ Educational Facilities

### CORE CAPABILITIES

- ⊗ Precision Machining and Metalworking
- ⊗ Engineering & Design
- ⊗ Milling and drilling
- ⊗ Turning
- ⊗ Prototyping
- ⊗ Reverse engineering

### DIFFERENTIATORS

- ★ Single-source solution for equipment repair, and maintenance
- ★ Highly experienced technical team
- ★ Outstanding customer service and response
- ★ Emergency / turnaround services
- ★ In-house metal fabrication to complement emergency services

Wagner Machine

## SALES AND PURCHASING

## EQUIPMENT LIST

### CNC Mills

- Haas VF11- 40" x 120" 3 axis mill
- Haas VF6 32" x 64" 3 axis mill
- Kitamura MYcenter 14" x 20" 3 axis mill
- Kitamura MYcenter 400 Horizontal 4 axis mill (with twin tables)
- Clausing 9" x 40" 2 axis mill

### CNC Lathes

- Haas SL40 24" x 36"
- Haas SL30 16" x 40"
- Clausing 600 Series 14" x 40"

### Manual Mills

- Lucas Horizontal 30" x 60"
- Chevalier 9" x 48" with 3 axis readout
- Mathews 9 x 48" 3 axis readout

## BEFORE-AFTER

# EQUIPMENT LIST

## Manual Lathes

- Vanguard S1-262A Twin 36" chucks – 14" bore thru
- Clausing 20" x 120"
- Summit 26" x 96"
- Royal 21" x 80"
- Fortune 16" x 40"
- Vertical Lathes:
  - King 48" swing
  - King 72" swing

## Grinders

- Blanchard 42" chuck
- Doall surface grinder 8" x 24"
- CNC Vacuum Fixture
- 4th Axis Rotary Turn table
- Marvel Vertical Band Saw 12" capacity
- 100 ton vertical press
- Morrisson Keyseater 1.5"
- Slotter 3" capacity keyways

## Clean Inspection Room

- Optical Comparator
- Granite Table/ Mitutoyo Height gage .0002
- Micrometers 0"-30"
- Inspection grade Gage blocks/Gage pins/Bore Mics
- Rockwell Hardness Tester
